08/30/14 13:30 CST 50K Flash Flood (due to Heavy Rain) 08/30/14 17:00 CST 0 Source: Emergency Manager

Excessive rainfall caused flash flooding, which washed out or damaged 20 county roads. County dump trucks were called out to begin road repairs. The Monarch area received 3.5 inches of rain in one hour.

Persistent thunderstorms led to flash flooding over a small part of north central Arkansas on the afternoon of the 30th.
